NEW, INNOVATIVE AND CLEVERLY DESIGNED HOME

With its attractive and creative interior scheme – a little piece of holiday lodge perfection.

The Tor uses a clever and modern combination of warm whites & pastel colours creating a relaxed & calming environment. Making way to the living come dining room, and settling down on the cosy armchair or stretching out on the beautifully classic sofa. These organic traits are complimented by the hard-wearing wood effect flooring, ensuring a large feeling of space. The kitchen includes everything you need right down to the essential wine fridge.

As you follow the hallway, the bedrooms are tucked away at the back, perfectly decorated creating an overwhelming sense of comfort & homeliness. The master bedroom includes an ensuite & walk-in wardrobe promoting space & comfort. Bedrooms two and three can have double or single beds and benefit from built-in wardrobes and large windows encouraging natural light to flood the rooms.
